The determination of the market value of the land is made on the date, on which notification under Section 11 (1) of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Re-settlement Act, 2013 is issued/published.

Issue of Multiplication Factor (MF) :—

In exercise of powers conferred in Column No. 3 of serial No. 2 of the First Schedule read with Sub-Section (2) of Section 30 of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Re-settlement Act, 2013 (30 of 2013), the Central Government hereby notifies that in case of rural areas, the factor by which the market value is to be multiplied shall be 2.00 (Two). The Government of J&K has issued notification vide No. Rev/ LAJK/254/2020 dated: 26-08-2020 regarding multiplication factor of 2 (Two) in case of rural areas.

Determination of market value of land by Collector :—

As per the criteria provided under Section 26 of the Right to Fair Compensation & Transparency in Land Acquisition, Rehabilitation and Re-settlement Act 2013, the Collector shall adopt the following criteria in assessing and determining the market value of the land namely :—

(a) The market value, if any, specified in the Indian Stamp Act 1899 (2 of 1899) for the registration of sale deeds or agreement to sell, as the case may be, in the area where the land is situated or ;

(b) The average sale price for similar type of land situated in the nearest village or vicinity area or,

(c) Consented amount of compensation as agreed upon under Sub-Section (2) of Section 2 in case of acquisition of lands for private companies or for public private partnership projects, whichever is higher :

The market value calculated as per Sub-Section (1) shall be multiplied by factor to be specified in in the first schedule.

It is further explained that the average sale price referred to in clause (b) shall be determined taking into account the sale deeds or the agreements to sell registered for similar type of area in the village or vicinity area during immediately preceding three years of the year in which such acquisition of land is proposed to be made. Further, while determining the market value under Section 26 and the average sale price, any price paid, as compensantion for land acquired under the provisions of this Act on an earlier occasion in the district shall not be taken into consideration. Further, while determining the market value under Section 26 and the average sale price, any price paid, which in the opinion of the Collector is not indicative of actual prevailing market value may be discounted for the purpose of calculating market value. As per Section 26 (2) of the Right to Fair Compensation & Transparency in Land Acquisition, Rehabilitation & Resettlement Act 2013 the market value so calculated is to be multiplied by a factor to be specified in the First Schedule, Section 26 (3) of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation & Re-settlement Act, 2013 is not applicable in this acquisition Section 27 of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 provides that having arrived at the market value, the Collector shall calculate the total amount of compensation to be paid to the land owners by including all assets attached to the land Section 28 and 29 of the Right to Fair Compensation & Transparency in Land

Acquisition, Rehabilitation & Re-settlement Act, 2013 has provided for the parameters to be taken into consideration and determination of value of things attached to land or building. Section 29 of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Re-settlement Act 2013 further clarifies that for purpose of determining the value of things/assets attached to the land or building and trees and plants attached to the land, use the services of a competent Engineer or any other specialist or experienced persons in the field or Agriculture, Forestry. Horticulture, Sericulture, or any other field, as may be considered necessary by him. Section 30 of the Right to Fair Compensation & Transparency in Land Acquisition, Rehabilitation & Re-settlement Act, 2013 provides for award of solatium amount equivalent to one hundred percent (100%) of the compensation amount.

In addition to the market value of land assensed under Section 26 in every case, an amount calculated at the rate of twelve percent (12%) per annum on such market value is to be awarded for the period commencing on and from the date of publication of notification under Section 11 (1), till the announcement of award or taking possession of land, whichever is earlier.

Determination of amount of compensation :—

The Collector having determined the market value of the land to be acquired shall calculate the total amount of compensation to be paid to the land owner (whose land has been acquired) by including all assets attached to the land.

The Chairman District Valuation Committee Pulwama issued stamp rates/market value for the year 2023 vide Notification No. 32/DCP-SQ of 2022 dated: 28-12-2022 & the market value of the land for village Mughalpora Chirat is reflected as under ;

Name of Village	Residential	Commercial	Agricultural Irrigated	Horticulture Irrigated	Agricultural Un-Irrigated	Horiticulture Un-Irrigated
Mughalpora Chirat	13.71 lacs per Kanal	14.25 lacs per Kanal	5.82 lacs per Kanal	10.93 lacs per Kanal	5.17 lacs per Kanal	6.38 lacs per Kanal

In compliance to Section 26 of Right to Fair Compensation and Transparency Land Acquisition, Rehabilitation and Re-settlement Act, 2013 which mandates that the average sale price of similar type of land situated in the village or nearest Vicinity area needs to be assessed, the sale deeds or the agreements to sale the register in village Mughalpora Chirat Tehsil Pulwama during the period of three years from the date of publication of Section 11(1) notification.

$$\text{Average value of sale deeds} = \frac{\text{Total amount of all considered sale deeds}}{\text{No. of years.}}$$

The average sale price has been determined by calculating the average value of sale deeds as mentioned herein above. However, the stamp duty rate issued by Chairman of valuation committee vide No. 32/DCP-SQ of 2022 dated 28-12-2022 for the year 2023 in the said Village is rupees 5.82/- lacs per Kanal for Agriculture irrigated area and is on the higher side. Therefore, it would be appropriate to adopt these rates as true market value.

Keeping in view the above facts, I, Shahbaz Ahmad Bodha Collector Land Acquisition (Assistant Commissioner Revenue) Pulwama in compliance to Section 26 of Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Re-settlement Act, 2013, the notified stamp rates are accepted/adopted as the true market value for the type of land (Ariculture irrigated) at Village Mughalpora Chirat Tehsil Pulwama District Pulwama and accordingly determine the market value of the land under acquisition as @ Rs. 582000/- (Rupees Five Lac Eighty Two Thousand only) per Kanal.

Other Benefits :—

In addition to the market value of the land fixed above, the land owners will be entitled for other benefits as per the provisions of Right to fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013.

The Costs of the Building, Trees, Wells, Tube-wells and Other Structures :—

As per the record submitted by Tehsildar Pulwama, no structure, trees, well and tubewells have come under the acquisition of said land.

The interested persons are entitled to additional amount @ 12% on the market value of the land as per Sub-Section 3 of Section 30 of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Re-settlement Act, 2013 from the date of publication of notification under Section 11(1) till the announcement of award under Section 30 or taking possession of land, whichever is earlier.
